

# Odie's Dark Oil

- All of the incredible properties of our Odie's Oil, but with natural oxidizing oils that darken wood at initial application and patina over time
- Creates incredible contrast that gets better with age
- Use to seal, strengthen and stabilize wood, concrete, leather, plastic, vinyl, metal, stone, masonry and more
- Finish without limits - no sanding limits or tedious application steps
- Food-safe, Family and Pet Safe, and All-Natural - no toxic chemicals or carcinogens such as petroleum-based solvents or isocyanate hardeners, no masks or gloves required
- Contains natural UV inhibitors which protect from the Sun
- Stabilizes, Protects, Beautifies and Waterproofs
- Bonds with the surface instead of sitting on top for superior durability for both commercial and residential applications
- Surprisingly Easy - but use sparingly, simply buff a little on, wait a while then buff off
- Seamless Repair - no sanding or stripping, simply buff on to the problem spot and buff off for a seamless repair
- Incredible coverage - up to 20x the coverage of conventional finishes
- Recommended For Interior Use

Odie's Dark Oil is a proprietary blend of oils and waxes, and is the culmination of 30+ years of research, development and field testing in the most extreme environments to produce a revolutionary product that out-performs and out-covers the competition.

Every Odie's product provides the user with the highest quality finishing experience available on the market - a truly safe alternative, with unmatched durability, efficiency, clarity, beauty and ease-of-use.

Odie's Dark Oil, Odie's Dark Wax, and Odie's Dark Butter were developed hand-in-hand to compliment each other and provide for unparalleled freedom of creativity.
